

# Calling High Schools!

## High School Model State Government Conference

Indiana Youth and Government is an exciting opportunity for youth to step into shoes of the individuals who run our State Government! At this high school event, students will learn the legislative process; how to research and debate public issues; present and rank bills; as well as meet students from different schools and gain critical skills, like social skills, public speaking skills, leadership skills, and more!

Financial assistance is available upon request.

For more details, contact Cassie Korba at [ckorba@mcymca.org](mailto:ckorba@mcymca.org)

### WHAT IS INDIANA YOUTH AND GOVERNMENT?

INYaG is a statewide youth program for students in grades 6-12. The goal is to help students to:

- Learn about our Indiana government
- Research, study, and write bills on public issues
- Interact with adult mentors, leaders, and other students
- Learn to appreciate other view points
